2024 APPRENTICESHIP EXPO

Are you interested in an opportunity
to “EARN” and “LEARN”?

Do you learn better with on-the-job training?

Are you not able to attend or afford college, because you have to work?

Then maybe an apprenticeship is for you!

We welcome you to come join us at our
2nd Statewide Apprenticeship Expo,
where you can meet with industry experts
that offer traditional, non-traditional,
and pre-apprenticeship programs,
at Legler Regional Library.
