Business Engagement Committee Committee Charter December 2023

Charge:

- The charge of the BEC is to provide guidance and direction to help bridge the gap between Illinois' important business sectors and employers, and the Illinois workforce development system.

Priorities:

- Enhance and support the development of regional industry-led sector partnerships.
- Developing compelling messages that respond to employer needs.
- Identifying and employing effective methods of communication to employers.
- Improving data and information regarding business engagement.

Leadership: Co-Chairs

- Jess Giudici, jess.giudici@duravant.com, Duravant Corp.
- Andrew Warrington, andrewwarrington@uccenvironmental.com, UCC Environmental, Inc.
