## Q4 Accomplishments and Progress Toward Workplan:

- A workplan goal for the CIC for 2023 was to update existing IWIB Policy Process documents. Prior to the September CIC meeting, a survey was sent to the four core partners and CIC members asking for feedback on the CIC's current policy flowchart below:

During the meeting the CIC decided to update the flow chart and include an attachment with additional templates and instructions. The revised flowchart and attachment were presented for feedback from the CIC at the November meeting. In Q1 of 2024, the document and attachment will be put on the [Illinois Workforce Academy](https://www.illinoisworkforceacademy.com/) website.

- All four Titles presented on their annual performance during the October CIC meeting. The CIC discussed a summary of the presentations during the November meeting.

## ILLINOIS WORKFORCE INNOVATION BOARD

- Additionally, during the November meeting the CIC discussed how to compile the top needs of the various IWIB committees. The committee will discuss this further in future months.
