Director Guthrie proceeded to give an overview of initiatives launched this year to help people who are looking for work.</p> <p>Get Hired Website – allows employers post jobs with IDES and allows workers to navigate those as a one-stop shop. This is a working document that Ms. Jaeger will adjust based on feedback and report back to the group every quarter. Chairman Rico suggested sending updates directly to Bethany.</p> <p>Annual Report Submission Update</p> <p>This year there was a shift to more closely align with the Unified State Plan and the outcomes directly related to the Unified State Plan. This resulted in the creation of the WIOA Annual Report Committee that worked closely with the Continuous Improvement Committee (CIC). The final report was submitted on time to the Department of Labor (DOL) last week. A version enhanced with individual customer success stories will be shared with the General Assembly prior to December 31, 2020. Work on the 2021 Annual Report was already begun. CIC has developed a 'report card' to determine what to evaluate. The effort is ongoing.</p>	Bethany Jaeger, KEB
