EQUITY TASK FORCE WORKGROUP GUIDE

WORKGROUP

Data Analysis Workgroup

Assessing, analyzing, and recommending education and workforce tools that can track program access and outcomes and disaggregate data to reveal disparities in policies and program delivery.

Policy Workgroup

Examining programs, policies, and practices to infuse issues of equity and inclusion into these programs, policies, and practices as authorized by law.

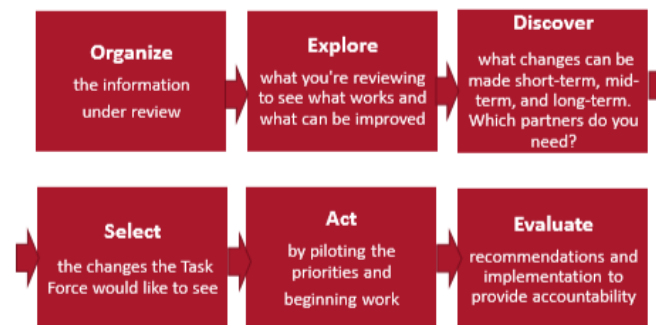

Program Workgroup

Making recommendations regarding inclusive and diverse approaches, including professional development of staff, to ensure use of an equity lens in serving their diverse populations.

Common Definition: Defined by the University of Minnesota, University Policy Program: "An [equity lens](#) is a process for analyzing or diagnosing the impact of the design and implementation of policies on under-served and marginalized individuals and groups, and to identify and potentially eliminate barriers."

Target Populations as our scope: Women, rural residents, people of color, individuals with disabilities, veterans, justice-impacted populations, immigrant populations, LGBTQ community, homeless and homeless youth, low income individuals, foster care youth and alumni, migrant and seasonal workers, individuals working to achieve their high school equivalency, persons receiving public assistance, individuals who are basic skills deficient.

Framework and Approach:

Review of Proposed Common Definition

Ms. Jeannette Tamayo

“An equity lens is a process for analyzing or diagnosing the impact of the design and implementation of policies on under-served and marginalized individuals and groups, and to identify and potentially eliminate barriers.”

Poll Questions

Ms. Jeannette Tamayo

Discussion of Equity Attributes

Ms. Angela Morrison

- What attributes of equity apply best to workforce development, regardless of funding source, participant demographics, and business sector?
- How can a definition of equity lens leverage maximum inclusion within the context of a statewide workforce system?
- What would be a useful working definition of “equity,” “equity lens,” “equity outcomes” to frame the Task Force’s work?
- Which workforce policies apply differently across skill levels or income tiers?
- How would using this lens change the outcome of common policies that create or contribute to barriers to access across workforce programs?

Definitions of Equity

Ms. Angela Morrison

- What must a definition include?
- What must a definition not include?

Upcoming Workgroup Meeting Plan

Mr. Sergio Mendoza

- Identify a definition of equity and equity lens.
- What are the best practices in policy assessment and review among workforce providers for incorporating the definition of equity or equity lens into their programs?
- Identify resources, partnerships and information needed.
- Identify specific workforce and education policies that require revision.
