Charges:

Create opportunities for learners of all ages and ability with a focus on those individuals defined as targeted populations to enhance their career awareness, career skills, and life skills through experiences with the education and training, work-based learning and essential skills as enhanced by the Illinois Essential Employability Skills approach.

Serves as the intersection between job seekers, businesses, the education system, local workforce agencies, and other interested stakeholders.

Committee Priorities: Integrate and Involve

1. Being a link between the IWIB and the Local Workforce system to impact and improve the lives of Illinois citizens particularly those that are identified as WIOA targeted populations.
2. Integration and comprehensive involvement of all partners, including the four core partners, business sector, secondary and postsecondary education, workforce labor, legislative, and local implementation partners.
3. Work with the Business Engagement Committee to provide business and industry an awareness of the Illinois career pathway efforts to provide sustainable business-driven talent solutions for small and historically underrepresented owned business.
4. Work with the Apprenticeship Committee to provide work-based experiences for targeted populations.
