The Evaluation Workgroup Charges include:

- Evaluation Design. Create an evaluation framework for the WIOA system including evaluation elements of policies, programs, and processes created or overseen by the IWIB to be used by the WIOA system.
- Evaluation Outcomes. Disseminate the evaluation framework, once approved by the CIC, to WIOA partners.
- Continuous Improvement at Local Level. Review the data from the evaluation model and information provided by the CIC. Adapt evaluation frameworks and dissemination of information as appropriate.
- Priority Activities. Adapt priority activities of the workgroup to remain in step with the CIC.

The priorities include:

1. Define a framework for evaluation based on the priorities of the CIC.
2. Pilot test the framework on a policy, process and program.
3. Disseminate the evaluation process to WIOA partners and key stakeholders.
4. Adopt evaluation processes based on data provided by the CIC to ensure processes remain valid and leads to continuous improvement.
