

## Career Pathways for Targeted Populations Committee (CPTP) Committee Charter November 2023

### Charge:

- **Charge 1:** Create opportunities for job seekers within specified targeted populations of all ages and abilities, understanding that creating equitable access to career pathways for target populations creates a more robust workforce system. Our goal is to enhance career awareness, career skills, career retention, and life skills through experiences with education and training, work-based learning, and essential skills leading to in-demand, high-wage occupations for target populations.
- **Charge 2:** Serves as the intersection between job seekers, businesses, the education system, local workforce agencies, community-based organizations, and other interested stakeholders.

### Priorities:

- **Continuous Improvement:** Linking the IWIB and the Local Workforce system to impact and improve the lives of Illinois citizens particularly those that are identified as WIOA-targeted populations, recognizing the equity implications of this work.
- **Service Integration:** Integration and comprehensive involvement of all partners, including the four core partners, business sector, secondary and postsecondary education, workforce labor, legislative, and local implementation partners. There is a need for a holistic approach for target populations.
- **Collaboration:** Act as a resource regarding career pathways for target populations across the state, and in partnership with the committees
