

Requirements for Certification/Recertification

A Training Provider must utilize the following guidance when applying for initial certification or subsequent recertification of a training program. Only eligible training providers (as determined by procedures found in section VI.A. of the policy letter) may submit an application for training programs. It is the local workforce investment area's (LWIA's) responsibility to inform and assist training providers in completing these steps to ensure they properly complete the application for certification and recertification.

- A. Once the LWIA has provided the training provider with the web address to the Illinois Workforce Development System (IWDS) (<http://iwds.state.il.us>), a user ID for the primary contact of the training provider and a temporary password will be e-mailed to the contact listed on the training provider. The training provider must then log into the system to begin adding additional locations, additional contacts, and/or training programs.
- B. The LWIA must verify that the training provider has entered all of the required data elements for each training program for which they are applying. Data elements are entered on the "Training Program Basic Information" screen in IWDS. The following data elements must be verified:

(Note: Items with * are mandatory items, items with ** are mandatory items that prompt an automatic recertification if changed.)

- ** Program Name (should match the name found in a course catalog for the training provider, if published).
 - a. ** Program Description (detail should be provided to assist the LWIA in determining the proper classification of Instruction Program Code (CIP)).
 - b. ** 6-digit CIP code;
 - c. **O*Net code(s) that identifies the occupation the certified training program leads to;
(Generally, the LWIA must complete **b & c** as the Training Provider does not know the proper code); and
 - d. * Website link to additional program information.
- Is this a credit hour program? If yes, how many credit hours for program completion? What is the curriculum code for this program (if one exists)?
- * How many weeks does it typically take to complete the program?
- * What is the total hours of instruction/classroom/lab time?
- * Other than employment, what is the primary goal of the program? (i.e., Associates Degree, Bachelors Degree, etc.) If other than listed, specify.

If Certification, License, or Registration, what is the name of the certifying, licensing, or registering body?

- * Identify up to three occupations for which the individual will be qualified to hold after completing this program.

- What are the program offerings? (check all that apply)

Full-Time Enrollment	Part-Time Enrollment	Internships
Non-English Instruction	Classroom Instruction	Labs
Weekend Classes	Night Classes	Day Classes
Internet Instruction	Open Entry/Exit	Other (Specify)

- What are the entry level requirements of the program? (check all that apply)

Drug/Alcohol Screening	Language (Specify)
HS Diploma/GED	Writing (Specify)
Physical Exam	Prerequisites (Specify)
Math (Specify)	Other (Specify)
Other (Specify)	

- ** What is the total cost of this program? (round to the nearest dollar amount)

Tuition
Books
Fees
Tests
Other Expenses (Materials, Supplies, (Description)
Tools, Uniforms, etc.)
TOTAL COST

Ensure the "Calculate Totals" field is selected to update the total cost of the training program.

- Types of financial aid available (check all that apply)

Pell Grants	Illinois Monetary Award Program
Federal Loans (Stafford, PLUS, etc.)	Institutional Scholarships
Other (Specify)	

- * What year was the program established?
- * Please put a check in the box of each location where this training program is offered.

If all locations for which the training program are not listed, use the "Add Location" field to add additional locations.

Note: Before adding a new location, the LWIA must ensure the location does not currently exist in IWDS. The LWIA should check variations of the location name when verifying this.

- * Has the provider given assurance and certification that their agency fully complied with the nondiscrimination, equal opportunity, and disability provisions of the Workforce Investment Act of 1998? (29 CFR 37.20, 29 CFR 37.42 and 54)
(This must be answered with a Yes to be certified, recertified.)
- * Is this facility and programs accessible to all people with a disability? (29 CFR 32.3)
(This must be answered with a Yes to be certified, recertified.)
- Please describe the application procedure for this program. Include in this description any documents or materials that the customer should bring when applying for this program.

**"Submit" should then be selected to submit the application for approval.
"Save, but don't submit" should be selected if additional information
needs to be entered before the application is sent for approval.**

- C. The LWIA must verify that the training provider has entered all of the locally required data elements for each training program for which they are applying. Data elements are entered on the "Training Program Local Information" screen in IWDS. Local workforce investment boards (LWIBs) have the discretion of requesting additional information on training programs in addition to the required information found in B. above.
- D. Once all information has been verified by the LWIA, they must submit it to the LWIB for review and approval.
- E. Once approval has been given by the LWIB, the LWIA must return to the Training Program Basic Information screen and complete the following fields:
- *Initial Criteria Status* - Should be changed to "Accept".
 - *Program Status* - Should be changed from "Pending" to "Approved".
 - *Initial Cert. Date* - Should be the date the LWIB approved the program.
 - *Last Cert. Date* - This is a system generated field and will be the date the program was recertified by the LWIB (for new programs, same as Initial Cert. Date).
 - *Next Cert. Date* - Should be the next date for recertification in agreement with LWIB, LWIA, and training provider, but in no case more than 1 year from the certification/recertification date recorded for the training program.
- F. The LWIA must produce a periodic report of certified training programs and check their status. If any training programs' status is listed as "Pending Recertification", the training program must be reviewed and sent for recertification. This may occur because the training provider changed information within the "Training Program Basic Information" record that prompts a recertification (as outlined in B above) or the training program's recertification date has passed.

- The LWIA should produce the report frequently enough to:
 - a. Ensure they identify ALL programs needing recertification prior to their recertification date;
 - b. Provide the training provider with a notice of any upcoming training programs requiring recertification (and update of information if necessary); and
 - c. Ensure they provide sufficient time to:
 - Review the training program information to ensure it is current,
 - Send the training program to the LWIB for review and approval, and
 - The LWIA can update the "Training Program Basic Information" record prior to the system automatically removing it from the list of approved training programs.
- G. The LWIA must send ALL training programs with a "Pending Recertification" status to the LWIB (or the committee of two (2) or more individuals as designated by the LWIB) for review and approval.
